

10 Warning Signs

An education program presented by the Alzheimer's Association

Alzheimer's and other dementias cause memory, thinking and behavior problems that interfere with daily living. The Alzheimer's Association® developed the new 10 Warning Signs of Alzheimer's education program to help people recognize common signs of the disease and know what to watch for in themselves and others.

Join us to learn more about:

- Explores typical age-related changes.
- Describes common signs of Alzheimer's and dementia.
- Offers tips for how to approach someone about memory concerns.
- Explains the importance of early detection and benefits of diagnosis.
- Details possible tests and assessments for the diagnostic process.
